**Re: The Leicester Open Meet - Cancelled**

Dear all,

I hope this message finds you well.

We were hoping to be providing some positive news this evening, however we have been unsuccessful in trying to get the Alan Higgs Centre for The Leicester Open Meet.

As you can imagine, we are truly devastated that we are unable to provide this event for your swimmers, and it's more heartbreaking for the swimmers who are looking to achieve Winter SC National Qualification.

We were only told on Tuesday that our pool won't be ready and have worked tirelessly to find an alternative venue over the past 24 hours.

We will start the process of refunding everyone's entries as soon as possible, we ask that clubs send over their BACS details so we can get this done efficiently.

From our Committee and Coaching Staff, we would like to extend our sincerest apologies to you all, thank you again for choosing this meet and we hope we are able to accommodate you again at one of our open meets in the future.

Kind Regards

Harry Pickering

Assistant Head Coach  
(Meet Promoter on Behalf of the City of Leicester SC)
