

## COVID19 INFORMATION

To continue with limiting the spread of this virus we would like to ask swimmers, coaches, helpers and spectators that have Covid symptoms not to arrive at the pool and continue following Government guidance. We would encourage you to take a lateral flow before attending the meet, to ensure you are safe to attend and please consider wearing face coverings indoors too.

COLSC will have a QR code available at the entrance to the facility for you to scan if you wish to. There are multiple hand sanitiser stations around the facility for swimmers, poolside persons and in the gallery and walkways, so please do make good use of these.

We are asking that spectator tickets be purchased in advance to minimise queues in the walkways. If you have not done this, please follow the link below to purchase tickets. Even children will require a ticket (no cost for U16), however it allows us to monitor numbers in the spectators' gallery.

<https://bookwhen.com/colsc>

We would ask that you please leave at least one seat between members of different households. This is very much appreciated. The spectator ticket does not reserve you a seat, but permits entry to that session. On arrival we will issue a wristband for the relevant session that you have pre-booked. Please queue responsibly whilst waiting for your wristband. Bags are not to be placed on seats.

For swimmers who are isolating due to testing positive for Covid 19, then please let us know before the start of the session you are due to swim and we can arrange a refund in full for your swims. Please email [colsc treasurer@gmail.com](mailto:colsc treasurer@gmail.com) and a refund can be arranged and for withdrawals please email [entries@swimmingmeetresults.co.uk](mailto:entries@swimmingmeetresults.co.uk)

There will be sanitising of the blocks between heat swims and a one -way route around the poolside. This will be advised on arrival at the facility.

Provisional timelines for the weekend can be found on the results website <https://www.swimmingmeetresults/COLeicester> to allow you to plan your journey to the pool. Please note that these timelines are provisional, and once started each session will run at its own pace.

In the event we have to impose restrictions and changes to this meet, we do ask that you assist us in following these guidance's put in place and ensure that if information is disseminated to you or your clubs that is enacted upon and in return information/forms requested are passed back.

If you have any questions please do not hesitate to get in touch by email to [colsc treasurer@gmail.com](mailto:colsc treasurer@gmail.com) and we can try and answer your query.
